Library HDS: Home Delivery Services

Contact Melissa at 309-243-5716.

What is Library HDS?

Not able to use the Library in the traditional way? Are you unable to make it to our library? This free Library Home Delivery Library Service is for you! Library materials are delivered right to your front door! We have thousands of materials to choose from: fiction, audiobooks, cookbooks, biographies, movies, magazines, etc.

Am I Eligible?

Those eligible include Dunlap Public Library District residents who are temporarily or permanently confined to their homes because of illness, disability, or other extenuating circumstance. This service is open to all ages.

How Do I Sign Up?

It's easy! Call the library at (309) 243-5716 or fill out the simple application. We'll find out if you're eligible, what you'd like to receive, and sign you up. If you do not have a library card, we'll help you fill in an application and have you register on the day of the first delivery.

How Does the Service Work?

Materials are delivered to your front door with a “bag system” by Library staff on a **regular monthly schedule**. No fines are charged for overdue items; however, patrons are responsible for lost items. This is a one-on-one assistance program so that each patron receives just what they need. The scope is as varied as our patrons. We can help you keep up with favorite authors by placing holds on new book releases. We can provide you with large print books or books on CD. Nonfiction materials are also available. Everyone is different in their needs and we will try to accommodate everyone on a personal level.

How Do I Refer Someone I Know?

Do you know someone who could potentially benefit from our Library HDS? Refer them to us today! Physician and nursing home referrals are welcome as well.
