

Dunlap Public Library District
Book/Materials Donation Guidelines
Updated March 2021

The Dunlap Public Library appreciates donations of books and other library materials. However, due to the expense of processing items, only the following are accepted:

- Books published within the last two years NOT owned by the library
- Replacement books / items that are in significantly better condition than the book/ item currently owned by the library.
- Any playable video game for PS4, PS5, Xbox 360, Xbox One, Wii, or WiiU.
- Any playable Bluray or DVD released in the last five years
- Culturally significant works in good condition
- Jigsaw Puzzles with all pieces present in the original box/packaging

All items MUST be in good condition and deemed appropriate for the library's collection.

No other items will be accepted under any circumstances due to the costs that the library incurs in their disposal.

The library welcomes cash donations earmarked for the purchase of library materials. This is the most effective way to help us grow our collection!
