ILP: 9 to 5, The Story of a Movement

Friday, March 21, 2:00p thru Sunday, March 23, 11:59p

Enjoy a virtual screening of the 2020 PBS documentary. When Dolly Parton sang "9 to 5," she was doing more than just shining a light on the fate of American working women. Parton was singing the true story of a movement that started with 9to5, a group of Boston secretaries in the early 1970s. Their goals were simple—better pay, more advancement opportunities, and an

end to sexual harassment—but their unconventional approach attracted the press and shamed their bosses into change. Featuring interviews with 9to5's founders, as well as actor and activist Jane Fonda, *9to5: The Story of a Movement* is the previously untold story of the fight that inspired a hit and changed the American workplace.
